

GILLESPIE & POWERS, INC.

# ***AUTOTAPPER***

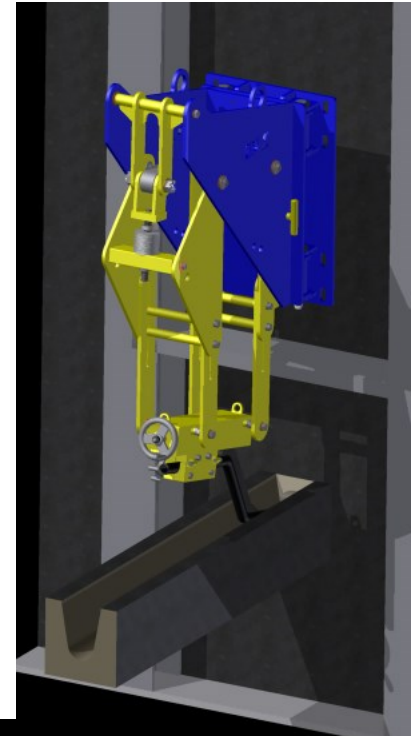

- A LEADER IN THE INDUSTRY FOR OVER 75 YEARS -

## ***Integrating Safety and Production***

The Autotapper helps reduce the need for personal interface with the transferring process. Addressing every casts' house main concerns; **Safety and Production**. Safety is addressed by allowing operators to be safe distance away from the tap plugs and rough during the transfer process, eliminating the operator's exposure to molten metal.

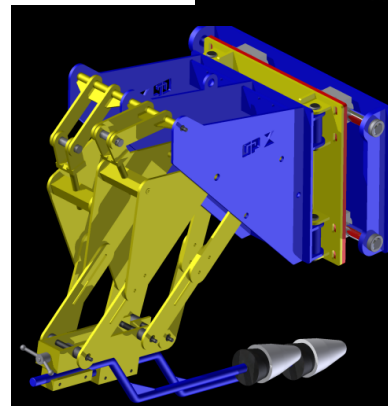

*"If your cast house is large or small this solution would not only bring safety and production together. It would benefit your facility's overall needs"*
